92 YEARS OF SERVICE TO OUR COMMUNITY

President Dorothy's Message

"The meaning of life is to find your gift. The purpose of life is to give it away." — William Shakespeare

Anyone who knows me will have heard me say that Rotary's 100 Fund is what draws me to the club. The ability to provide help during the holiday season to over 135 children just speaks to my soul. We are approaching another awe-inspiring time in the club with the Scholarship Awards coming next month. This is where the club has the ability to make a tremendous impact for students as they take the next step in their lives. What will it be, college, community college, vocational school? Each graduate has such an important decision ahead of them and our club may play a role in the success of that student. While I wish every student and

their family had the capacity to pay for their post secondary education, I suspect there are many Waldo County families who find it beyond their reach. Knowing that we will award significant scholarships to help our community is life changing, for them and for us. My deepest thanks to Lee Woodward and the Scholarship Committee for the work ahead of them. And to the fundraising efforts of the entire club and the work that came before us to ensure we will have the ability to continue granting scholarships far into the future, thank you.

Rotary makes a difference in our community. We work very hard and today I am asking you to stop and recognize the difference we are making. Our gifts are many and we are about to give

it away to deserving students.

Rotary has been a gift to me, provides me with a purpose and in turn, I hope I have made a difference. I know all of you have.

Yours in service,
Dorothy Havey

Getting to Know Our Members

In an effort to get to know long-standing members of our club, the board will ask members to give a re-classification talk on a voluntary basis to fill in when a scheduled speaker is unable to attend a meeting. As luck would have it, Larry Theye stepped in to fill the program space on March 28th. What a delight to here about his early years in Nebraska and his successful career in education. Thank you, Larry!

Manley Rogers will take a turn on April 18th.
